

Competencies for a Career-Ready Workforce

Career & Self Development

Students will be able to identify and describe the various career paths available to them, and the skills and knowledge required for each. They will be able to evaluate their own strengths and weaknesses, and identify areas for improvement. They will be able to set goals and create a plan to achieve them. They will be able to seek and accept feedback, and use it to improve their performance. They will be able to demonstrate a growth mindset and a willingness to learn from their experiences.

Communication

Students will be able to communicate effectively in a variety of contexts, including written, oral, and digital. They will be able to listen actively and understand the needs and perspectives of others. They will be able to express their ideas and opinions clearly and respectfully. They will be able to collaborate and work effectively in teams. They will be able to resolve conflicts and negotiate solutions. They will be able to adapt their communication style to different audiences and situations.
