

### Employer Survey Results

The Ohio Department of Higher Education (ODHE) distributed and collected an annual Employer Perceptions of Ohio Educator Preparation Programs (EPP) Survey. Effective in academic year 2017-18, the ODHE discontinued the survey due to low response rates. The BW Department of Education plans to distribute, collect, and share the results of a Perceptions of Educator Preparation Survey, which will follow the ODHE questions listed below. Results from the new survey will be shared when available.

The following prompts each began with the statement, "The institution prepares its graduates to . . ." Survey participants responded to each prompt using the following scale:
