Learning Disorder Verification Form

The Office of Accessible Education (OAE) provides services and accommodations for students with diagnosed disabilities. The documentation provided must demonstrate a disability covered under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) of 1990. The ADA defines a disability as a physical or mental impairment that substantially limits one or more major life activity. For a student to be considered eligible to receive reasonable accommodations, the documentation must show the functional limitations that impact the individual in the post-secondary setting.

OAE requires current and comprehensive documentation to determine appropriate services and accommodations. As a guideline, Baldwin Wallace University generally requires documentation prepared within the last 12 months (1 year).
